

ELECTIONS SASKATCHEWAN

GE28 Communique for Chief Official Agents Issue Twenty-Six: May 31, 2016

The election seems like a long time ago, but our team at Elections Saskatchewan continues to focus on our scheduled post-election activities. I wanted to be in contact to pass along details on our annual Registered Political Party Meeting and to offer a quick reminder about our survey of candidates and business managers.

June 14 – Registered Political Party Meeting

It has become a tradition for my office to meet with representatives from the province's six registered political parties every year in June. This year's meeting is especially important as it follows the April 4 General Election. With that in mind, I would like to invite you, as Chief Official Agent, and one other representative from your party to join us on Tuesday, June 14 at the Hotel Saskatchewan in Regina for a day of presentation and discussion. More information, including an agenda, will be provided next week. I look forward to seeing you there.

Reminder - Candidate and Business Manager Survey

Last time I contacted you, I passed along a link to a survey Elections Saskatchewan is asking all candidates and business managers to complete. This survey is one tool that we are using to gather data from key stakeholders so that we can more effectively serve you. While we have had a number of responses to date, I would very much like our sample size to be as large as possible to ensure statistically reliable results. The survey can be accessed by clicking on the following link:

I genuinely appreciate if you would forward the link to your candidates and business managers and reiterate the importance of completing this survey!
