In our *First Past the Post* system, each eligible Saskatchewan voter is allowed to cast one vote for one of the candidates in their constituency (known in other provinces as electoral districts, electoral divisions, or federally as ridings). In each constituency, candidates compete to be elected as a Member of the Legislative Assembly (MLA). The candidate with the most votes wins. In Saskatchewan as a whole, the political party with the most candidates elected becomes the government and the leader of that party becomes the Premier.

For the next general election on April 4, Saskatchewan will be divided into 61 constituencies, an increase of three from the 2011 General Election. The boundaries of your constituency have most likely changed since the last election.

We have an interactive mapping tool on our website to help you find where to vote. Simply enter your address and your constituency information appears. See more at [elections.sk.ca/wheretovote](http://elections.sk.ca/wheretovote).
To vote in the April 4 provincial election you must:

• Be a Canadian citizen;
• Be at least 18 years old;
• Have lived in Saskatchewan for at least the six months before the day the election is called.

STUDENTS OR MILITARY PERSONNEL VOTING

Saskatchewan residents who are now studying outside the province are eligible to vote, as are students from out of province who are now studying in Saskatchewan.

Active members of the Canadian Forces and their families from Saskatchewan serving outside the province can vote. Active Canadian Forces members and their families from outside the province currently serving in Saskatchewan are also eligible to vote.
VOTER RIGHTS

All eligible voters have the right to:

- Ask for assistance marking your ballot if you are unable to do so;
- Ask your employer for three consecutive hours off work to vote if your work schedule does not provide for three consecutive hours while the polls are open;
- Be registered on the voters list as a voter;
- Decline your ballot and have it recorded as such;
- Have an interpreter assist you;
- Keep your vote secret;
- Request a new ballot if you accidently damage or spoil the one you have been given;
- Request instruction on how to mark and fold the ballot;
- Request to vote immediately outside the polling place if you are physically unable to enter the polling place;
- Review your own information on the voters list and apply for revisions;
- Vote if you are waiting in line when the polling place closes, and
- Vote privately and free of interference.
The voters list is a list of registered voters in each of Saskatchewan’s 61 constituencies. Being on this list ahead of time makes your voting experience easier and faster.

If you are a registered voter, you have the right to review your own information on this list from now until March 23. Up to March 22, you can review your information either by calling 1.877.958.8683, visiting our website, or in person at your constituency returning office. On March 23, you can only review this in person at the office.

If you’re not on the list, you only have until March 22 to register online or by phone.

If you’re not on the list after March 23, you can still vote by registering in person at advance voting, March 29 to April 2, or on election day, April 4.

Remember to bring ID.
Soon after the election is called (also known as the dropping of the writ), all registered voters will receive a Voter Information Card (VIC) in the mail. It tells you where and when to vote. If there is more than one registered voter at your residence, this card will include the names of all registered voters. If you do not receive a VIC, you are likely not on the voters list.

If everything is correct, you are registered to vote. There is nothing else for you to do or any action to take (except vote!).

If there is an error with your name or address, or you don’t receive this VIC by March 18, call us at 1.877.958.8683.

Watch for your VIC in the mail in early March.
WAYS YOU CAN VOTE

Voting on election day, April 4, is just one way to cast your ballot. If you are away from home or busy on election day, there are other ways to vote:

**VOTE ON ELECTION DAY**

April 4 is election day, the last day to vote, and the day we count the ballots. Voting hours are 9 a.m. to 8 p.m., Central Time.

Each voter has a specific location to vote at. To find yours, check your Voter Information Card (VIC) sent to you in the mail. Visit [elections.sk.ca](http://elections.sk.ca) or call us.

**VOTE IN ADVANCE**

Advance voting is held for five days—March 29 to April 2—at several locations around Saskatchewan. You can vote at any advance voting location in your constituency on one of these five days. Check your VIC for voting locations.

March 29 to April 1, 3 p.m. to 10 p.m. Central Time

April 2, noon to 7 p.m. Central Time

Whether you vote on election day or in advance, bring your VIC with you to make your voting experience easier and faster.
WAYS YOU CAN VOTE

VOTE IN A PERSONAL CARE HOME

Voting places are set up in select personal care homes and seniors’ homes around Saskatchewan. A full list will be posted on our website.

VOTE IN A HOSPITAL

If you are a patient on April 4 you can vote in the hospital you are in, even if it’s not in your home constituency.

VOTE IN YOUR HOME

If you are homebound due to a disability, you can make arrangements to have an election worker come to your home so you and your caregiver, if eligible, can both cast a ballot. Homebound voting is available March 29 to April 2. Contact your constituency returning office by March 28 to make an appointment. You can find a list of returning offices on our website or by calling 1.877.958.8683.
WAYS YOU CAN VOTE

VOTE BY MAIL

If you are away from your constituency during the election, or if it’s more convenient, you can vote by mail. This is a good option for snowbirds away from the province this winter, or anyone else not in Saskatchewan or not in your constituency on April 4. Inmates in a provincial correctional centre may also be eligible to vote as an absentee voter.

To vote by mail, you first apply for an absentee ballot. This application to vote is available on our website. You receive your ballot in the mail, fill it out and mail it back to us.

If you’re voting by mail, it’s important to not wait too long to start the process. You need to allow enough time to:

• Download an application from our website;
• Fill it in and mail it, or email it, back to us along with a copy of your ID and a signed declaration;
• Wait for a voting kit to arrive to you by mail shortly after the writ drops in early March 2016; and
• Mark your ballot and mail back to us postmarked by 8 p.m. on April 4.
YOU MUST SHOW ID TO VOTE.
THIS PROVES BOTH YOUR IDENTITY (NAME) AND ADDRESS.

You have three options:

1. A driver’s licence, or other government-issued ID that has both your name, photo and address. This must be your civic/residential address, legal land description, lot/block/plan or First Nation reserve.

2. Show two pieces of ID, both must have your name and one must have your address. For example, your health card and a utility bill. There are more than 50 acceptable documents. They are listed on the next page of this guide, on your VIC, and on our website at elections.sk.ca/bringID.

3. At the voting station, you can sign a declaration, and a registered voter from your constituency, such as a neighbour or roommate, may vouch for you. Each person can only vouch for one other individual.

ELECTION DAY IS APRIL 4, 2016

elections.sk.ca | 1.877.958.8683 | info@elections.sk.ca
WHAT HAPPENS WHEN YOU GO TO VOTE?

1. When you arrive at your voting location, an election worker greets you and directs you to the right table.
2. Here you show your ID and your name is crossed off the voters list.
3. You are handed a ballot.
4. Go behind a voting screen to vote in private. Mark one candidate with an X. You only vote once. Fold your ballot to keep it secret.
5. Hand it back to an election worker, who will show you what ballot box to put it in.

You’re done. Congratulations on casting your ballot! Remember to check the results after 8 p.m. on election day on our results website at results.elections.sk.ca.
HOW DO I MARK MY BALLOT?

Counting the ballots is an important part of election day. Ballots must clearly show who you voted for. Use the pencil provided to make only one mark on your ballot. Keep your mark inside the white circle just to the right of the candidate’s name. An X is best, but any mark will be accepted as long as there is only one mark in the circle, and in no way can the mark identify the voter.

Examples of ACCEPTED ballots include the following:

Examples of REJECTED ballots include:
ASSISTANCE IN VOTING

We are committed to including all citizens in the voting process. Below are the tools and services we offer on election day at many of the roughly 1,700 voting locations around Saskatchewan. To confirm the accessibility at your individual voting location, please see your Voter Information Card (VIC).

- wheelchair access
- parking near entrances for voters with disabilities
- adequate lighting, or additional lighting behind the voting screens
- pencil grips
- magnifiers
- a tactile and Braille voting template that fits on top of a ballot
- assistance marking the ballot and depositing it

If voting in advance or on election day does not work for you, there are other voting options listed in this guide under Ways to Vote on page 7 of this guide. These include voting at home, voting by mail, and voting at many hospitals and care homes.

For more information on your voting options, contact your constituency returning office. Accommodations, such as offering a sign language interpreter, can often be made if planned in advance.

Watch or listen to our video on our YouTube channel for how we make voting accessible.
Saskatchewan citizens play a key role in supporting democracy by offering their time to work on elections. Working on election day is a great way to build your network (and your resume), reconnect with friends, and get paid while doing so!

We need 10,000 workers to help at Saskatchewan’s roughly 1,700 voting locations around the province on election day. There are many different jobs during an election, such as an information officer, deputy returning officer, poll clerk, registration officer, messenger and enumerator. See our website for the duties of all these jobs.

Want to double the difference you make in your community? After expressing your interest to work, consider donating your election pay to charity.

To take part and give a day for democracy, sign up at elections.sk.ca/takepart or call us at 1.877.958.8683.
